

Hybrid Events Planning & Management with Live Streaming

TGS-2024042608

Sign up now and become a Leader in the future of event planning!

Course Overview

In today's event landscape, hybrid events—blending in-person and virtual experiences—are key to engaging global audiences. Seamless live streaming integration is now essential for event professionals, corporate teams, and business owners.

This course equips learners with the skills and strategies to plan, organise, and execute high-impact hybrid events. Whether aspiring to be a professional event planner or enhancing your organisation's event capabilities, gain valuable insights, hands-on experience, and industry best practices to excel in hybrid event management.
